Dear Sir/Madam

Sub:- Conferment of Autonomous Status on National Institute of Science & Technology, Palur Hills, Berhampur, Odisha-761 008 affiliated to Biju Patnaik University of Technology, Odisha

Sir/Madam,

This is with reference to the proposal submitted by National Institute of Science & Technology, Palur Hills, Berhampur, Odisha-761 008 affiliated to Biju Patnaik University of Technology, Odisha under the UGC Scheme for Autonomous Colleges.

On the basis of the report of the UGC Expert Committee and on the basis of the recommendations of the Standing Committee, the Commission at its meeting held on 09.07.2018 has decided to grant autonomous status to National Institute of Science & Technology, Palur Hills, Berhampur, Odisha-761 008 affiliated to Biju Patnaik University of Technology, Odisha for a period of ten years w.e.f. 2018-2019 to 2027-2028.

Biju Patnaik University of Technology, Rourkela, Odisha is requested to issue necessary notification/order regarding the grant of autonomous status to the college as per UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2018 for Autonomous Colleges. The college, if eligible, shall apply for autonomy grant as per the norms laid down in the Regulations.

The autonomous college is required to abide by all the provisions of the UGC Regulations for Autonomous Colleges. The Regulations are available on the UGC website, www.ugc.ac.in. The college shall also apply in the prescribed format to University Grants Commission for extension of autonomous status six months prior to the expiry of the autonomous cycle.

A copy of the UGC Expert Committee report is enclosed herewith for information of the college.

Yours faithfully,

(Dr. Surender Singh)

II. Background of the College with Vision, Mission and Objectives

S M Charitable Educational Trust is a non-profit Trust, which is involved in imparting technical education in the state of Odisha since 1996. The Trust runs all the technical courses under the name of "National Institute of Science & Technology". The Trust registration number is 2671-IV-644 dated 13.10.1995. The National Institute of Science & Technology (NIST), on its inception in 1996, was the first engineering college in the entire South Orissa. Currently, the Institute runs the following AICTE (as per AICTE approval letters issued for 2018-19 session) approved programmes:

Under Graduate Program: B.Tech

Post Graduate Program: M.Tech, MCA, MBA

The institute started its functioning in the year 1996 by a group of academicians educated in the top Institutes of India & abroad. The founder Director, Prof Sangram Mudali is B.Tech from IIT Kanpur (1985) & MS from University of Houston, USA (1987). He & his wife Mrs. Geetika Mudali, Placement Director (B.Tech-Osmania University, MS-NJIT, USA) left USA to establish a world class Institute in their home state of Odisha .

SALIENT ACHIEVEMENTS:

- UGC-NAAC Accredited NIST with 'A' grade with score of 3.22 out of 4.0, which is highest rating among all affiliated colleges of BPUT, Odisha in the year 2014.
- NIST has grabbed the 69th spot among top 100 engineering colleges (teaching and research category) of India in NIRF 2016 ranking conducted by MHRD department (Govt. Of India)
- NIST ranked 2nd in Eastern INDIA and 13th among all Engineering Colleges in INDIA by DATAQUEST 2016
- NIST is ranked 58th among all the Engineering Colleges of India by Outlook 2018 (June, 2018 edition).
- NIST has bagged with the prestigious eINDIA 2013 Award at an event held in Hyderabad on July, 23 under the category of "Best Teaching Learning Institute"

KAL   2   

- BPUT (Affiliating University) Students has ranked NIST as No.1 Engineering Institute among 100+ engineering institutes of Odisha through public voting
- NIST has proved its credentials in bagging the "Best Technical Institute in R & D Activities" in the State of Odisha.

The aim of the Institute is to produce engineering & management graduate who are versatile in problem solving skills and managing rapid growth in the new liberalized India.

Vision Statement:

"Our aim is to create engineering minds capable of mastering the global challenges of tomorrow's technologies"

Mission Statement:

"To create an Educational Institute for nurturing Quality Engineers and Managers for growth of Indian Industries, to develop Entrepreneurs and to pursue Innovative Research on emerging technologies for the future generation"

Objectives:

- To be the premier technical institute of Eastern India - both in providing quality education and in performing high calibre research.
- To be a Centre of Excellence at the national level in research
- To provide an atmosphere for the wholesome development of graduating students in academics, sports and life skills.

XVI. Observations of the Committee:

- The institute has adequate infrastructural facilities in terms of number of class rooms, well-equipped labs, Seminar Hall, Conference Hall, Auditorium etc.
- Since the institute is located at the margins of the city, it has been catering to the educational aspirations of a good number of students with rural background.
- The institute is being well supported by a Trust of academically motivated people. Sound financial background of the management is of great advantage to the institute.
- The institute has a Central library along with a few departmental libraries. The Central Library is equipped with a fairly good number of books, journals and e-resources. The library is wi-fi enabled.
- Academic performance of the students is good. Average pass percentage of students in all the courses is around 80%. Performance of the students in cultural and other extra-curricular activities is also praiseworthy.
- The college has dedicated faculty members with good academic and research profiles. Approximately 30% of the faculty members possess Ph.D degrees and some of the faculty members have also post-doctoral experience.
- The institute has nurtured a good research culture which is visible from the fact that faculty members have publications in referred journals and research projects to their credit.
- The management has also encouraged the faculty members to pursue research by providing them incentives for research publications and has also provided financial support for participation in conferences.
- The institute has also tried to inculcate a research culture among the students by engaging them in research and innovation projects. A number of non-credit industry-based and value added courses are also being offered by the institute.
- The institute has developed a complete ERP solution. Online feedback from the students is being taken and evaluated and communicated to the concerned.
- The institute has collaborated with a number of reputed institutions like IITs and foreign institutions for R&D activities and internships and exchange programmes for students.
- Facilities like scholarships, research assistantship and tuition fee waiver scheme are also available for students.
- The institute has facilities for green energy such as solar, bio-fuels and waste management. They are also working on a smart village project in a remote area using Internet of Things.
- The institute has interaction with a number of industries as well so as to provide paid internships to students of other institutions. Placement record of students is satisfactory.
- All the required Cells like IQAC, Grievance Redressal, Internal Complaints Committee, Anti-Ragging Cells are in place.
- Sound sports facilities with all the modern amenities are available in the college campus. The institute is also constructing an indoor stadium.
- The institute offers hostel facilities for both boys and girls. The college provides transport facilities to students as well as staff members.
- The students have also been engaged in extension activities.

XVII. Suggestions of the Committee:

- Admission in M.Tech courses is very poor. The management needs to explore ways to address this issue.
- The institute should adopt a transparent selection and promotion policy so as to attract the well qualified faculty.
- The management should appoint more number of faculty with Ph.D degrees.
- Salary to the faculty and non-teaching staff should be as per norms.
- Central Library should be established on the ground floor in order to make it accessible for differently-abled students.

XVIII. Recommendations of the Committee

On the basis of the above-mentioned observations, the Committee unanimously recommends conferment of autonomous status on National Institute of Science and Technology, Behrampur, Odisha for a period of ten years w.e.f. 2018-19 to 2027-28.
