

# CSI State Convention on 'Cloud and IoT'

The NIST CSI student branch organized a CSI State Convention on 'Cloud and IoT' on 22nd October 2016. Eminent speakers spoke on various important topics currently trending in the industry. Personalities like Prof. Siba Udgata, Director CMSD University, Hyderabad and Mr Bhawani Nayak, Senior Associate, CTS Bangalore graced the convention as the Chief Guest and Guest of Honour respectively. Dr

Brojo Kishor Mishra and Dr Diptendu Sinha Roy graced us with their presence on the dais. More than 130 students participated in the events like Poster Presentation, ICT Quiz & Coding Competition.

Prof. Udgata delivered a captivating talk on 'IoT and Sensor Network' which everyone enjoyed and learnt a lot from his talk. Mr Bhawani Nayak spoke on 'IoT and Real Time Analytics' giving idea about Map Reduce AWS framework and APACHE SPARK and their importance in the current industry scenario. Dr. Diptendu Sinha Roy spoke on 'Virtualization and Cloud' giving brief concept of virtualization and cloud computing.

The result was declared on 3 various categories and prizes were distributed along with participation certificates to every contestant. Finally the event ended with the closing remarks by delegates.
