

NATIONAL INSTITUTE OF SCIENCE & TECHNOLOGY PRESENTS INDO-US ROBO LEAGUE

2014

nist

CONDUCTED BY

 **Technophilia**
systems

 **Aagomani**
IIT Bombay

Robotics & Computer Applications
Institute Of USA

INTERNATIONAL ROBOTICS COMPETITION & WORKSHOP SERIES

WORKSHOP ON

Autobotz - AVR

FREE
Robotic Kit
in a group
of 5 students

CERTIFICATION

International Certificate of Excellence by
Robotics and Computer Applications Institute of USA
and Technophilia Systems

Date: 19 to 20 Jan., 2014
Contacts:

Student Co-ordinators

Bibhas.N.Dash - 8895335344

Asutosh Sahu - 9124856143

Faculty Co-ordinator

Swagat Samantaray-9437181775

STAGE 1

Attend this robotic workshop.

STAGE 2

Build Autonomous Robots using Image Processing through
MATLAB & AVR Microcontroller.

STAGE 3

Winners of Zonal Round will compete in the National round of iURL
to be held at Aagomani 2014, IIT Bombay on 22nd & 23rd March 2014.

STAGE 4

Winners of the National Round of IURL will win a free trip to
RoboGames, San Francisco, USA - World's largest robot
competition.

Registration: Fees: 1300/- per student

ZONAL CENTER:

National Institute of Science and Technology,
Palur Hills, Berhampur, Odisha-761008.

Represent India at:

ROBOGAMES

"Worlds Largest Robot Competition" - Guinness Book of Records
