Accredited by NAAC (UGC) with 'A' Grade

Festival of Learning for Professionals of Tomorrow

17th January 2015 (Saturday)

Organised by

National Institute of Science & Technology
Palur Hills, Berhampur-761008 Odisha, India

ABOUT NIST

The National Institute of Science and Technology was established in 1996 and is being managed by the SM Charitable Educational Trust. The Institute is approved by AICTE under MHRD, Govt. of India and is affiliated to the Biju Patnaik University of Technology (BPUT), Rourkela. The Institute campus of 65 acres is located at the picturesque Palur Hills about 12kms from Berhampur and 3 hours drive from Bhubaneswar. The Institute has grown by leaps and bounds under the able leadership of the founder Director, Prof. Sangram Mudali, Director (M.S., University of Houston USA, B. Tech., IIT Kanpur), Prof. (Mrs.) Geetika Mudali, Promoter and Placement Director, (M.S. NJIT, USA) and few other technocrats. About 2700 students are studying in various disciplines of MBA, B. Tech, M. Tech and MCA. The entire campus is 24x7 wi-fi connected. For the recreation of students and employees of the Institute, we have Lawn Tennis court, Basket Ball court, Swimming Pool, Cricket ground, Paragliding, Gymnasium, Adventure Sports, Himalayan Trekking, etc. The Institute runs various clubs on Literary, Entrepreneurship, Innovation, Advertisement, Music, etc. The Institute is rated the best for its E-Governance practices (ERP) among all the Institutes of Odisha. Within a short span of 19 years, NIST has produced 4 BOYSCAST scholars, 3 Full Bright scholars, 3 URSI Young Scientist Awardees, 3 Samant Chandrashekhar Young Scientist Awardees and more than 20 Post-Doctorate Scholars. Our faculty members have published more than 15 books and 200 papers in international journals of repute. The institute has received a number of grants from AICTE, DST, UGC, MHRD, CSIR, ISTE and private IT companies for Projects, Staff and Faculty Development Programs.

Department of Management Studies (DMS) is the youngest offshoot of the National Institute of Science & Technology (NIST), Berhampur, Odisha. It was founded in 2006 inside the NIST Campus. The Department focuses on developing managerial competence among the students through acquisition of specialized knowledge and skills. In addition, the Department emphasises the importance of developing a sense of social justice with right attitudes and values of discipline. The two years regular full time campus

Festival of Learning for Professionals of Tomorrow

based Post Graduate programme in management i.e. Master of Business Administration (MBA) is recognised by the AICTE, New Delhi and affiliated to Biju Patnaik University of Technology (BPUT), Odisha with intake strength of 60 students per batch. Each year is divided into two semesters. The Specialization Courses offered are Marketing, Operations Management, Retailing, Human Resources, IT & Systems and Finance.

Department of Computer Science and Application is one of the oldest department in the Institute. This department offers Masters degree in Computer Application (MCA) since 2002 and has been able to place the students successfully in the top notch companies of India. The MBA and MCA students are hired by the top companies like Espire Info Lab, Axis Bank, Capital IQ, OCL Ltd., Royal Bank of Scotland, BASIX, IDBI Bank, Pantaloon, Mindtree, Wipro Technologies, Capegemini, ICICI Securities, Reliance Capital, India info line, HCL, Wipro Infrastructures Services, Hexaware Technologies, Keeves Technologies, Miracle Software Solutions, etc. from the campus. The Faculty Members of the departments have already published a number of books and Research Papers in the reputed National & International journals.

ABOUT THE PROGRAM

"You may not be interested in war, but war is interested in you."

Leon Trotsky

This program is aimed at the students who have strong aptitude and urge to build a career in professional education like Management, Computer Application etc. The program is an effort to show the new avenues in the jiggled aftermath career. Students will be encouraged through various competitions with suitable awards. There will be five categories of events and each event carries three distinct winners. The winners will be felicitated by cash award along with a certificate. Each participant will have participant certificate at the end of the program.
