Admission to Ph.D. Programs – 2025

NIST University invites applications for admission to its Ph.D. programs in various disciplines of **Engineering, Science, Management,** and **Interdisciplinary Courses.**

Candidates who have qualified **UGC NET / GATE / or any other national-level test** for Ph.D. admission will be selected based on their performance in the **viva-voce examination** conducted by NIST University.

Other candidates must appear for the **Ph.D. Admission Test** conducted by NIST University and must secure a **minimum cutoff of 50%** to qualify for the viva-voce.

The eligibility criteria and other requirements will be as per the **Ph.D. Regulations–2025** of the University.

Fellowship:

University may provide a **nominal monthly fellowship** to a few deserving **full-time** research scholars for a maximum period of **four years** or until the **submission of the thesis,** whichever is earlier.

Interested candidates are advised to visit the University website (https://admission.nist.edu) for details regarding **eligibility criteria, fee structure, duration, regulations (as per UGC norms),** and **other important information:**

Last Date for Online Application: 30.07.2025

This notification should be widely circulated through leading newspapers, the NIST University website, and social media platforms to attract bright and motivated candidates for the Ph.D. programs.
